

I will continue to offer 5 Rhythms Zoom classes in 2025.

The sessions will begin with a time for stretching and preparing yourself for the 5 Rhythms Wave. There will be some basic teaching at each session.

In each session you will have the opportunity to deepen your sense of rooting, presence, embodiment, and breath. You will have the opportunity to tune in with your natural essential sense of self as it turns up on the day.

This can be at times deeply moving, catalytic, transforming and very ordinary.
